# HAUNTED CALGARY READY TO UNLEASH TERROR AGAIN

Author: Christine Campbell, Creative Director of “HallowQueen”

What lurks in Calgary, boiling just below the surface of our quiet, friendly city? The cesspool of human society: a ghoulish collection of creeps who would make your skin crawl and your stomach turn. Evil so wicked that even the most macabre will shudder. The promise of fresh victims calls to these soulless entities as they gather at Calgary’s Halloween tradition in the northwest community of Rocky Ridge.

Haunted Calgary’s approximately 10,000 square foot walk-through haunted yard attraction has been designed, built, and operated by volunteers for the enjoyment of the community for over 25 years. With a cast of approximately 60 actors, some Hollywood-scale animatronic monsters, and uniquely handcrafted sets, the attraction is guaranteed to be a new experience each year.

The attraction gives back to the community in many ways. Seasoned volunteers offer hands-on training for youth, women, and under-served populations, include safe power tool operation, basic construction skills, painting and set design, acting, special effects makeup, administration and customer service, etc. Those interested in volunteering can visit [www.hauntedcalgary.org](http://www.hauntedcalgary.org) for more information.

Haunted Calgary raises funds for animal rescue and food for the food bank through its gate admissions. Cash, Visa, MasterCard, Debit Tap, Google Pay, and Apple Pay will be accepted at the gate.

Haunted Calgary brings the community together, attracting over 5,000 visitors over three nights and for many has become an annual family Halloween tradition. The “Low Scare” during daylight hours features few to no actors and less spooky lighting for the little ones and the faint of heart. But if you’re brave enough, we highly recommend you visit during full scare hours in the evening. Parental discretion is advised.

Visit [www.hauntedcalgary.org](http://www.hauntedcalgary.org) for ticket prices and more information.

to relocate if a school was subsequently approved and built.

### What next?

I will continue to support and work with concerned community residents and community association boards who think a cannabis shop location is inappropriate or unsuitable. My actions will be guided by the democratic process and the experts in law who have crafted the Bylaw guidelines that regulate and oversee cannabis store applications and approvals.

For future updates on cannabis, I encourage that you sign up for my interactive monthly newsletter at [www.WardSutherland.com](http://www.WardSutherland.com).

### Hello Ward 1:

#### Canada is legalizing cannabis by October 17, 2018.

I have received input from some constituents concerned with the location of potential cannabis shops in their community. Residents have expressed concerns about traffic, parking, and proximity to potential school sites, and child care centres. Cannabis stores will be highly regulated and controlled by The City of Calgary. Please note that minors are not allowed in cannabis stores, even if accompanied by an adult.

#### Do I have authority over the location of a cannabis store?

If residents object to a proposed location of a cannabis store, an appeal against a potential affirmative decision on the Development Permit application may be made within 21 days after the Public Notice advertisement. The final approval decision of a location of a cannabis store is made by the Development Authority, not the Councillors. For questions concerning the appeal process, please contact the Subdivision and Development Appeal Board at 403-268-5312; or visit [Info@calgarysdab.ca](mailto:Info@calgarysdab.ca).

#### What is my position on Canada legalizing marijuana?

I understand how some residents are apprehensive toward something new and what was previously illegal. As a Councillor, I rely on expert evidence. There is no empirical data presented that clearly demonstrates increased crime, drug use, or corruption of youth in the proximity of cannabis stores.

I can appreciate that certain locations are more appropriate for cannabis stores than others. For example, if a store was approved near a possible school site, it would automatically be forced

by Terri Gilson

October is here and that means one thing- Halloween parties! If you want to make a really FUN no bake dessert that looks cool and creepy but still tastes great, this Witches Brew Spumoni Trifle is the best of both worlds.

### NO BAKE WITCH'S BREW SPUMONI TRIFLE

This easy No Bake Witches Brew Spumoni Trifle is the perfect easy dessert for your Halloween potluck. A trifle consisting of layers of cake, pistachio pudding, whipped cream and cherry almond cream cheese, topped with mint eyeballs, bubbles and jello worms, this dessert is both scary -looking and delicious!

Course: Dessert

Total Time: 8 hours

Cuisine: North American

Servings: 30 people

Prep Time: 45 minutes

Calories: 89 kcal

### INGREDIENTS

#### Spumoni trifle

- 1 -8 inch chocolate cake or red velvet cake use store-bought or mix or homemade
- 2 -99 g pkgs pistachio instant pudding
- 1 -540 mls can of cherry pie filling
- 1 - 8 oz pkg cream cheese I use light cream cheese
- 1/2 cup sliced almonds
- 2 cups whipping cream
- 2 tbsp white granulated sugar

#### Toppings:

- large green mints (scotch green mints) (20- 25)
  - white mints for eyeballs (scotch white mints)
- 5 approximately - or use Jumbo candy eyes
- black edible marker
  - red edible marker
  - small candy eyes 5-10
  - oreo cookie crumbs sprinkling

#### Jello worms:

- 1 -3 ounce/ 85 g package raspberry gelatin powder or grape
- 1/2 -28 g envelope unflavored gelatin (14 grams)
- 1.5 cups boiling water
- 50 flexible plastic straws
- 1 tall slender 4 cup container same height as extended straws
- 1/3 cup whipping cream
- 3-6 drops leaf green icing colour -add until desired colour

### INSTRUCTIONS

\*\*\* Make the worms a day in advance, as they need to set overnight (see worm recipe).

#### Spumoni Trifle:

1. Make pistachio pudding, as per package instructions.
2. Beat whipping cream to soft peaks and then add white granulated sugar. Beat to stiff peaks.

#### Toppings:

1. Beat cream cheese for 30 seconds, then add cherries and beat until smooth. Add almonds
2. Assemble: break the cake up and put in bottom of cauldron or trifle dish. Add 1/2 the pistachio pudding, then top that with cream cheese cherry mixture. Add all the whipped cream, then top with remainder of pistachio pudding.

#### Worms:

\*These worms are a bit of a challenge to make, so be prepared!

1. In a medium bowl, combine gelatin and raspberry jello powders
2. Add boiling water; stir until gelatins completely dissolves. Chill until lukewarm in fridge, about 20 minutes.
3. Meanwhile, gently pull straws to extend to full length; place in tall container. Wrap together with elastic and cover bottom with saran wrap/food safe wrap, then cover with tape, until it sealed
4. Blend cream and food coloring with the lukewarm gelatin mixture. Pour into container, filling straws.
5. Chill until gelatin is firm, at least 8 hours, or cover and chill up to 2 days.
6. Pull straws from container (if using a carton, tear carton away from straws). Pull straws apart; run hot tap water for about 2 seconds over 3 to 4 straws at a time (on the side of the straw, so water does not get into the straws).

## RRROCA Recipe of the Month

Remove tape. Starting at the empty ends, push worms from straws by gently pushing them out of the straw. Lay worms on parchment paper-lined baking sheets.

- Cover and chill until ready to use, at least 1 hour, but up to 2 days. Worms will hold at room temperature up to 2 hours.

**Assembly:** Draw black circles on white mints with edible black markers. Draw red lines for bloodshot eyes, if desired. Or use jumbo candy eyes (can be purchased at Michaels Arts & Crafts)

Add green mints and small candy eyes and eye mints to the top of the trifle.

Add a little Oreo cookie crumbs under the worms and sprinkle a little on top, if desired. Serve.

### RECIPE NOTES:

Worm recipe slightly altered from: Genius Kitchen Halloween worms.

If mints are left on the trifle, the mint flavour will seep in to the dish .  
If you like mints, then you can put them on in advance. If you do not like mints, then put them on just prior to serving!

You can buy pre-made loaf cakes at Superstore, Sobey's or Co op in the bakery section.

# HALLOWEEN SAFETY

The members of Calgary's *Partners for Safety*: Calgary's Child Magazine, AHS EMS, Calgary Police, Fire, 9-1-1, Bylaw, and Transit would like to remind parents and trick-or-treaters of some Halloween safety tips as October 31st approaches. *Partners for Safety* vehicles will be out patrolling communities on Halloween night to provide a visible safety resource for parents and trick-or-treaters.

## TRICK-OR-TREATERS

- Remember: all regular pedestrian rules still apply. Be sure to cross the road at marked crosswalks, or well-lit corners only. It is safest to work your way up one side of the street, and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times (route) and advise them if you will be late returning.

## PARENTS

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Pre-determine boundaries to trick-or-treat within and establish a firm time to return home.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.

## COSTUMES

- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.

# CANNABIS

## IS LEGAL ON OCTOBER 17. WHAT DOES THAT MEAN FOR CALGARIANS?

This month, recreational cannabis will be legal in Canada for the first time in 95 years. However, like alcohol or tobacco, its legal status still comes with rules and regulations, including where it may be consumed. Here is what Calgarians need to know.

### PUBLIC CONSUMPTION OF RECREATIONAL CANNABIS

Under Calgary's Cannabis Consumption Bylaw, cannabis may be consumed on private property. It is illegal to consume non-medical cannabis in any form (smoking, vaping, or edibles) in public places, except for designated cannabis areas. At the time of this writing, no designated cannabis consumption areas had been confirmed. As Council designates them, their locations will be available on [calgary.ca/cannabis](http://calgary.ca/cannabis).

Medical cannabis may be smoked or vaped in the same public places that are allowed under the Smoking and Vaping Bylaw. See [calgary.ca/cannabis](http://calgary.ca/cannabis) for details.

### IMPAIRED DRIVING IS IMPAIRED DRIVING, NO MATTER THE SUBSTANCE

Driving while impaired by cannabis is dangerous and against the law. Visit [Calgary.ca](http://Calgary.ca) and search 'impaired driving' for information about cannabis-impaired driving, including:

- how impaired drivers are detected
- criminal penalties for impaired drivers per blood concentration levels of cannabis or alcohol
- what to do if you suspect a driver is impaired
