

The role of the Team Manager is to oversee the team.

- Communicate with team parents and Age Group Coordinator! (season start, picture day, uniform and photo pick ups, game cancellations, etc).
- Pick up the Team Package (uniforms, equipment, photos) and distribute necessary items to the team.
- After it is received, the equipment is the responsibility of the Team Manager. This includes bringing it to and from games, setting up the field with the coaches, collecting the equipment after games, and returning it at the end of the season (at the Equipment Return Day).
